## FDP ON COMMODITY & FINANCIAL DERIVATIVES

4<sup>th</sup> & 5<sup>th</sup> November, 2011

### The Programme

Derivatives and derivatives trading are set to dominate the commodity and financial markets. The unfamiliarity and the novelty of derivatives trading practices have given rise to an aura of complexity around derivatives. The current programme demystifies derivatives in simple and easy to follow steps. The program will be conducted in the workshop mode and would involve rigorous practical training.

### About TIM

TIM has been at the forefront of Management Education in South India for the last seventeen years. It is the first private B-School under University of Kerala and has an enviable record of consistently producing committed management professionals. TIM has been undertaking research, consulting and training programmes for corporates, faculty members, Governmental bodies and NGOs for more than a decade. TIM is an institute of higher learning under TKM college trust founded by Janab A. Thangal Kunju Musaliar (1897-1966) industrialist, philanthropist and visionary.
